Attn: Rachel Reid, Environmental Planning Manager Coordinator

NOTICE OF EXEMPTION

Marin County
Environmental Coordination and Review

December 30, 2024

1. **Project Name:** 95 Wharf Road Repair
2. **Project Location:** The project is located on adjacent 95 Wharf Road in Bolinas.
3. **Project Description:** The improvements for this project will primarily involve the installation of a secant pile wall placed behind the existing rock face to support the shoreline roadway and the new drainage system behind the existing concrete retaining wall. The goal of the project is to stabilize the roadway and prevent future erosion.
4. **Public Agency Approving Project:** Marin County Department of Public Works
5. **Project Sponsor:** Marin County Department of Public Works
6. **CEQA Exemption Status:** Categorical Exemption 15301 Existing Facilities, Class 1 (C) Maintenance of existing highways, streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities.

Statutory Exemption Section 15269. Emergency Projects (b) Emergency repairs to public or privately owned facilities necessary to maintain services essential to the public health, safety and welfare.
7. **Reasons for Exemption:** This project will repair a County-owned Road that was damaged during the atmospheric rainstorms in January 2023. Without repair, the roadway would remain vulnerable to further degradation with potential loss of the travel lane and utilities. Wharf Road is the main access road to Bolinas Beach.
