Office of United States Senate

There are two U.S. Senate contests on the November 5, 2024, General Election ballot.

The first contest is the regular election for the full 6-year term ending January 3, 2031.

The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2025.

You may vote for both contests.

Information on Electioneering and the Voting Process

WARNING:

ELECTIONEERING PROHIBITED!

Violations can lead to fines and/or imprisonment.

“Electioneering” is defined as “the visible display or audible dissemination of information that advocates for or against any candidate or measure on the ballot” and is prohibited within 100 feet of the entrance to the building that contains a polling place or vote center and within 100 feet of an outside location, such as a ballot drop box. (Elections Code section 319.5) For additional information on the prohibitions of electioneering, please visit our website at www.marinvotes.org

WARNING:

CORRUPTING THE VOTING PROCESS IS PROHIBITED!

Violations can lead to fines and/or imprisonment.

For additional information on what constitutes corruption of the voting process, please visit our website at www.marinvotes.org

Don't be late!

Did you know that a top reason why we can't count a ballot is because of a late postmark? Return your ballot before Election Day.

**STATEMENT OF CANDIDATE FOR
United States Representative, District 2**

CHRIS COULOMBE

Occupation: Small Business Owner

Education and Qualifications: We clearly cannot continue down our present political path. We can and must choose a better future.

Partisan politics is destroying our environment, our economy, and our children's future. This is our country; it is time for all of us to stand.

It is no longer about party lines. It is about addressing our reality and our future as a country instead of seeking partisan gain.

We need clear-eyed leaders with well-rounded experience and vision ready to address those challenges and stay focused on the big picture... focused on moving America forward.

I was born and raised in Sonoma County. After earning my Eagle Scout, I enlisted in the military at 18 and returned home as an infantry captain 16-years later. I earned my BA in politics from the University of San Francisco and my MA in Diplomacy from Norwich University.

With 24-years of military, business, and policy experience to represent our 2nd District, and your help, we can protect the environment, rebuild small businesses and the middle class to better our children's future.

This is our home and we must protect it. Together, we can lead that change.

It is my honor to ask for your vote to serve our country again.

**STATEMENT OF CANDIDATE FOR
United States Representative, District 2**

JARED HUFFMAN

Occupation: U.S. Representative

Education and Qualifications: I'm getting things done despite political chaos in Washington. By putting people over politics, I've delivered results – the \$400M Golden Gate Bridge seismic retrofit, crucial funding for water supply improvements, zero-emission busses and charging infrastructure, public housing improvements, veterans housing, bike and pedestrian pathways, kelp forest restoration and more.

The prescription drug pricing reform I championed – the first in decades – caps insulin costs for seniors at \$35/month and starting next year total drug costs for seniors will never exceed \$2,000/year.

I spearheaded laws to modernize America's infrastructure – improving roads and bridges, connecting underserved communities with high-speed broadband, modernizing electrical grids, expanding renewable energy and building a national EV charging network.

We're finally taking bold action on the climate crisis and I'm leading the charge to do much more.

I work across the aisle whenever possible, as with my bipartisan initiative that raised IDEA special education funding by \$2.5 billion and my rural hospital bill.

But when democracy, the rule of law, or our fundamental freedoms are threatened, I fight back. That's why I founded the Stop Project 2025 Task Force - to confront the dangerous authoritarian scheme pushed by Donald Trump and his allies to eliminate checks and balances, impose a nationwide abortion ban, rollback civil rights and end Medicare as we know it. Not on my watch.

As a senior member of committees on Natural Resources and Transportation and Infrastructure, you can count on me to keep delivering results.

I would be honored by your vote.

**DECLARACIÓN DE CANDIDATURA PARA
Representante de los Estados Unidos, Distrito 2**

CHRIS COULOMBE

Ocupación: Propietario de un negocio pequeño

Educación y calificaciones: Está claro que no podemos seguir por el camino político actual. Podemos y debemos elegir un futuro mejor.

La política partidista está destruyendo nuestro medio ambiente, nuestra economía y el futuro de nuestros hijos. Este es nuestro país; es hora de que nos pongamos de pie.

Ya no se trata de los partidos. Sino que se trata de aceptar nuestra realidad y nuestro futuro como país, en lugar de buscar que gane un partido u otro.

Necesitamos líderes lúcidos con experiencia y visión integrales, listos para enfrentarse a esos desafíos y mantenerse enfocados en el panorama general... enfocados en hacer avanzar a los Estados Unidos.

Nací y me crié en el condado de Sonoma. Después de obtener mi Eagle Scout, me alisté en el ejército a los 18 años y regresé a casa como capitán de infantería 16 años después. Obtuve mi licenciatura en Política en la Universidad de San Francisco y mi maestría en Diplomacia en la Universidad de Norwich.

Con mis 24 años de experiencia militar, empresarial y política para representar a nuestro 2° distrito, y su ayuda, podemos proteger el medio ambiente, reconstruir las pequeñas empresas y la clase media, y mejorar el futuro de nuestros hijos.

Esta es nuestra casa, y debemos protegerla. Juntos podemos ser líderes de ese cambio.

Para mí es un honor pedir su voto para volver a servir a nuestro país.

**DECLARACIÓN DE CANDIDATURA PARA
Representante de los Estados Unidos, Distrito 2**

JARED HUFFMAN

Ocupación: Departamento Representante

Educación y calificaciones: Estoy haciendo mi trabajo a pesar del caos político en Washington. Al poner a las personas por encima de la política, he obtenido resultados: la rehabilitación sísmica del puente Golden Gate por valor de \$400 millones, el financiamiento crucial para mejoras en el suministro de agua, autobuses de cero emisiones e infraestructura de recarga, mejoras en viviendas públicas, viviendas para veteranos de guerra, senderos para bicicletas y peatones, restauración de bosques de algas marinas y mucho más.

La reforma de precios de medicamentos que requieren receta que defendí, la primera en décadas, limita los costos de la insulina para adultos mayores a \$35 al mes y, a partir del próximo año, el costo total de medicamentos para los adultos mayores no superarán los \$2,000 al año.

Impulsé leyes para modernizar la infraestructura de los Estados Unidos: mejora de carreteras y puentes, conexión con banda ancha de alta velocidad a comunidades desatendidas, modernización de las redes eléctricas, expansión de las energías renovables y edificación de una red nacional de recarga de vehículos eléctricos.

Finalmente estamos tomando medidas audaces para combatir la crisis climática y estoy liderando la lucha para hacer mucho más.

Colaboro con la oposición siempre que puedo, como ocurre con mi iniciativa bipartidista que aumentó los fondos de educación especial de IDEA en \$2.5 mil millones y mi proyecto de ley para hospitales rurales.

Sin embargo, cuando la democracia, la ley y nuestras libertades fundamentales se ven amenazadas, doy pelea. Es por ello que fundé el grupo de trabajo destinado a detener el Proyecto 2025, para hacer frente al peligroso plan autoritario impulsado por Donald Trump y sus aliados, que busca eliminar los controles y balances, imponer una prohibición al aborto en toda la nación, reducir los derechos civiles y poner fin a Medicare tal como lo conocemos. Esto no sucederá mientras yo esté a cargo.

En mi calidad de miembro principal de los comités de Recursos Naturales y de Transporte e Infraestructura, prometo seguir obteniendo resultados.

Para mí será un honor contar con su voto.

**STATEMENT OF CANDIDATE FOR
Member State Assembly, District 12**

DAMON CONNOLLY

Occupation: California State Assemblymember

Education and Qualifications: It is my privilege to serve as your State Assemblymember, ensuring that an experienced local voice represents Marin and Sonoma counties in Sacramento.

Endorsed by the Sierra Club, California Professional Firefighters, California Teachers Association, local Labor Unions, and Planned Parenthood Northern California Action Fund, I'm a principled progressive and consensus builder who gets things done.

In just one term in office, I've delivered real results, successfully getting five bills signed into law that will keep body armor out of the hands of mass shooters, ensure addictive tobacco products are not sold to teenagers, protect renters living in mobile home parks, reduce teen suicides, and cap the fees charged for residential solar projects. I also continue to build support for legislation to prevent toxic pesticide spraying along our highways.

On top of these legislative wins, I also secured \$5 million in state funding for projects throughout the North Bay for parks, firefighting equipment, affordable housing, and science education.

I have been fighting for our communities for 18 years, including service as a Marin County Supervisor, Vice-Mayor of San Rafael, School Board President, California Deputy Attorney General and now, as your State Assemblymember and local voice in Sacramento.

My values are North Bay values, forged by living here for more than 25 years. As your State Assemblymember, I will continue to fight for our priorities in Sacramento: wildfire prevention and home insurance, clean energy, environmental protection, protecting women's healthcare, equal rights, and more.

I hope to earn your vote to continue this important work together.

**DECLARACIÓN DE CANDIDATURA PARA
Miembro de la Asamblea Estatal, Distrito 12**

DAMON CONNOLLY

Ocupación: Asambleísta del Estado de California

Educación y calificaciones: Es un privilegio para mí servir como asambleísta estatal, asegurando que una voz local experimentada represente a los condados de Marin y Sonoma en Sacramento.

Respaldado por el Sierra Club, los Bomberos Profesionales de California, la Asociación de Maestros de California, los sindicatos locales y el Fondo de Acción del Norte de California de Planificación Familiar, soy un progresista de principios y un creador de consenso que sabe obtener resultados.

En apenas un mandato, he logrado resultados reales: logré que se promulguen cinco proyectos de ley que mantendrán los chalecos antibalas fuera del alcance de los tiradores en masa, que se garantice que no se vendan productos de tabaco adictivos a los adolescentes, que se proteja a los inquilinos que viven en parques de casas móviles, que se reduzcan los suicidios de adolescentes y que se limiten los cargos que se cobran por proyectos solares residenciales. Además, sigo ganando apoyo para que se implementen leyes que eviten que se rocíen pesticidas tóxicos en los márgenes de nuestras autopistas.

Además de estas victorias legislativas, también obtuve \$5 millones en fondos estatales destinados a proyectos en todo el Norte de la Bahía para parques, equipos contra incendios, viviendas de precio accesible y educación en ciencias.

Llevo 18 años luchando por nuestras comunidades, incluido el servicio como supervisor del Condado de Marin, Vicealcalde de San Rafael, Presidente de la Junta Escolar, Fiscal General adjunto de California y ahora, como su Asambleísta Estatal y voz local en Sacramento.

Mis valores son los valores del Norte de la Bahía, forjados en los más de 25 años que llevo viviendo en ese lugar. Como su Asambleísta Estatal, continuaré luchando por nuestras prioridades en Sacramento: prevención de incendios forestales y seguros para el hogar, energía limpia, protección ambiental, protección de la atención médica de las mujeres, igualdad de derechos y más.

Espero ganar su voto para seguir trabajando juntos.

**STATEMENT OF CANDIDATE FOR
North Marin Water District
Director, Division 1 – Short Term**

KEN EICHSTAEDT

Occupation: Appointed District Director

Education and Qualifications: The North Marin Water District provides a critical public health and safety resource to the peoples of Marin, and particularly West Marin for District 1. The organization delivers reliable water services that are high-quality, environmentally responsible, and reasonably priced. The NMWD provides this service with employees who are conscientious, highly motivated and knowledgeable.

The Board of Directors that I wish to continue to be on, provides vital input to the long-range planning and guidance while ensuring the needs and input from the NMWD customers served is responsibly acted on.

As an engineer and customer of NMWD, I can provide fundamental input and guidance to this important water service and help ensure the excellent NMWD service record continues. I have worked on water systems in the planning, design and construction phases for a wide variety of water systems for the past 30 years. This experience will provide input to help ensure the continued good operation of the NMWD System.

**STATEMENT OF CANDIDATE FOR
North Marin Water District
Director, Division 1 – Short Term**

MARY STOMPE

Occupation: Retired Executive Director

Education and Qualifications: Protecting our water sources has been a part of my family's history for sixty years. My father managed the land department for the Marin Municipal Water District and my husband has managed water treatment and distribution for the North Marin Water District for nearly three decades.

As a retired nonprofit Executive Director, I have managed multiple million-dollar senior and veteran affordable housing building projects throughout Northern California. I am a Certified Public Accountant, Real Estate Broker, Mortgage Loan Originator, and a Senior Professional in Human Resources. I have a Master of Business Administration from Sonoma State University and a Bachelor of Science degree from the University of Oregon.

I am an experienced public official as I previously served as a Councilmember for the City of Petaluma. I am a community volunteer for several organizations and currently serve on the Marin Civil Grand Jury.

I will bring to the Board my years of experience managing a multi-million-dollar organization with extensive experience securing government funding. I've served on two Citizen Oversight Committees and will help to ensure fiscal accountability in the district.

IMPARTIAL ANALYSIS BY COUNTY COUNSEL

MEASURE AA

California law permits school districts to issue bonds to pay for construction, repair, replacement, and acquisition of school facilities if 55% of the voters who vote on the measure approve the sale of the bonds. The Petaluma Joint Union High School District (“District”) Board of Education (“Board”) has placed on the ballot the question of whether to issue \$159,000,000 in bonds for such purposes.

Money raised by bond sales may only be used for the purposes and projects stated in the “Bond Project List” set forth in Measure AA, including but not limited to: repairing/upgrading local high/junior high school classrooms, science labs, technology/job training facilities; improving fire/earthquake safety and campus security; removing hazardous materials; repairing leaky roofs, HVAC, and electrical/plumbing systems. As required by state law, Measure AA prohibits using bond proceeds for teacher and administrator salaries, or other operating expenses.

The Board has certified that it evaluated safety, class size reduction and information technology needs in developing the Bond Project List. Inclusion of a project on the Bond Project List does not guarantee it will be funded or completed. The Board will establish the priority and order in which projects are undertaken.

If adopted, Measure AA includes “Accountability Measures” that requires the Board to: annually conduct independent financial and performance audits to ensure bond proceeds have been expended only on projects on the Bond Project List; establish an Independent Citizens’ Oversight Committee; and create a special account into which proceeds of the bonds are deposited. Measure AA further requires the Superintendent of the District to provide an annual report to the Board on the status of projects undertaken and the amount of bond proceeds received and expended in each year.

If approved, the Petaluma Joint Union High School District has discretion to decide when to sell all or any portion of the bonds based on the need for project funds and other factors. The interest rate on the bonds would depend on the

market rate at the time the bonds are sold, but not exceed the statutory maximum. Bonds will be repaid with funds raised from an increase in property taxes based upon the assessed value of taxable property in the District through fiscal year 2058-59. The “Tax Rate Statement” prepared by the District’s Superintendent for Measure AA estimates the highest tax rate necessary to fund the bonds at \$30 per \$100,000 of assessed value. Those tax levies are projections, and could go up or down, depending on a number of factors including the timing and amount of bond sales, and changes in assessed property values in the District. If all bonds are sold, the total debt services, including principal and interest, is estimated at \$320,000,000.

A “yes” vote on Measure AA will authorize the District to issue the bonds and levy taxes to pay for the indebtedness.

A “no” vote on Measure AA will not authorize either the issuance of bonds or the associated levy of taxes.

TAX RATE STATEMENT

EXHIBIT C

An election will be held within the boundaries of Petaluma Joint Union High School District (the "District") on November 5, 2024 to authorize the sale of up to \$159 million in bonds to finance facilities as described in the proposition. If the bonds are approved, the District expects to sell the bonds in multiple series. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property located within the District. The following information is provided in compliance with Sections 9400 to 9404, inclusive, of the California Elections Code.

Signed:

Matthew Harris, Superintendent

Dated:

July 23, 2024

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors, is estimated to be \$29 per \$100,000 of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2058-59.
2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund this bond issue, and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of filing this statement or a projection based on experience within the same jurisdiction or other demonstrable factors, is estimated to be \$30 per \$100,000 of assessed valuation in fiscal years 2025-26 through 2055-56.
3. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$320 million.

Voters should note that the estimated tax rate is based on the ASSESSED VALUE of taxable property on the Sonoma County and Marin County official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates, debt service and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE AA

Vote YES on AA to support our students. Measure AA will repair aging classrooms, support our teachers, and expand career training offerings for students. Petaluma City Schools is a critical pillar that makes our community great—now is the time to support our schools.

Petaluma City Schools is responsible for the safety and education of 7,300 students across 18 schools with over 950,000 sq of facilities. Unfortunately, state codes have crippled school funding. Compared to the greater Bay Area, Petaluma City Schools rank near the bottom in per student spending. This funding will change that, and demonstrate Petaluma cares about students by providing long overdue upgrades to our schools.

Every cent raised by Measure AA must stay local to repair and upgrade our junior high and high schools—no funds can be taken by the State. There will be an independent citizens' oversight committee, annual audits of funds spent, and by law, no money can be used for administrator salaries. This money is solely supporting students with better classrooms and facilities.

The average age of these buildings is 52 years. 40% of Petaluma City Schools' buildings have roofs over 25 years old and starting to leak. Electrical, heating/cooling, and plumbing systems are inefficient and nearing the end of their life. Our students, teachers, and staff deserve better.

Outdated security measures must be modernized and improved to keep our students and staff safe on our campuses. Investing in our schools provides our youth with a safe, first-class education and allows our staff to focus on the students.

Good schools, gyms, and multi-use rooms support our community. Schools support our children's future while continuing our community's great legacy of public education. Measure AA is an investment into keeping Petaluma family-friendly.

TEXT OF MEASURE AA
EXHIBIT B
PETALUMA JOINT UNION HIGH SCHOOL
DISTRICT

BOND PROPOSITION

By approval of this measure by at least fifty-five percent (55%) of the registered voters voting thereon, the Petaluma Joint Union High School District shall be authorized to issue and sell bonds of up to \$159 million in aggregate principal amount to provide financing for the specific school facilities projects listed below in the Project List, subject to all of the accountability safeguards specified herein.

ACCOUNTABILITY MEASURES

The provisions in this section are included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board of Education has evaluated the facilities needs of the District, and has identified projects to finance from a local bond measure at this time. The Board of Education hereby certifies that it has evaluated safety, class size reduction and information technology needs in developing the Bond Project List.

Independent Citizens' Oversight Committee. The Board of Education shall establish an independent Citizens' Oversight Committee in accordance with Education Code sections 15278-15282 and applicable Board policy, to ensure bond proceeds are expended only for the school facilities projects listed in the Project List. An existing Citizens' Oversight Committee may be empowered by the Board of Education to oversee the expenditure of bond proceeds from this measure. The committee shall be so empowered, or a new committee established, within sixty (60) days of the date when the Board of Education enters the results of the election in its official minutes.

Annual Performance Audit. The Board of Education shall conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List.

Annual Financial Audit. The Board of Education shall conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this measure and the sale of any bonds approved, the Board of Education shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board of Education no later than January 1 of each year, commencing on the first January 1 after bonds have been issued and proceeds spent, stating (1) the amount

of bond proceeds received and expended in the past fiscal year, and (2) the status of any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the California Education Code, and all the enumerated purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose.

Other Terms of the Bonds. The bonds may be issued and sold in several series, and in accordance with a financing plan determined by the Board of Education pursuant to requirements of law. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum and with a maximum term not exceeding the statutory maximum, provided that the average useful life of bonds sold will not exceed one hundred twenty percent (120%) of the average life of the projects being financed or as otherwise provided by federal tax law. Bond funds may be used to reimburse the District for Bond Project list expenditures incurred prior to the election and bond issuance, in accordance with federal tax law.

SECTION III: BOND PROJECT LIST

This Bond Project List, which is an integral part of this measure, describes the specific projects the District proposes to finance with proceeds of the bonds. All information contained within this "Section III: Bond Project List" comprises the Bond Project List and description of permissible projects and expenses that may be paid from bond proceeds.

In order to meet all identified facility needs, the District intends to complete projects using a combination of funding sources, including joint use funds or contributions, development impact fees, and state funding (if available). The District will pursue state matching funds if and when they become available and, if received, they will be used for projects on the Bond Project List or other high priority capital outlay expenditures as permitted by law. Approval of this measure does not guarantee that all projects on this Bond Project List at all listed sites will be funded beyond the local revenues generated by this measure. The District's proposal for the projects assumes the receipt of some state matching funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure. Bond funds may be used to meet any matching share contribution requirements.

Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, replacement, furnishing and equipping of school facilities, and the acquisition or lease of real property for school facilities, all as listed on the Bond Project List. All projects to be financed with bonds authorized by this measure listed on the Bond Project List have been determined by the District to be "school facilities" as that term is used in the California Constitution. "School facilities" include projects at school sites as well as administrative and teacher/staff support facilities which are necessary for, and related to, the delivery of high-quality education services. Projects

listed below may be completed at any and all properties, school sites and facilities where such project is determined necessary, and projects are authorized to be performed at each and all of the District's schools, sites and facilities, including administrative office and ancillary support facilities, whether owned, leased or yet to be acquired.

computer labs and science labs to improve student achievement;

- Renovate, repair, replace, modernize, construct libraries, theater/auditorium, multipurpose rooms and classrooms for music and visual arts programs;
- Upgrade school site parking, driveways, walkways, drainage and grounds and improve traffic circulation;
- Construct, modernize, retrofit central kitchen, including energy-efficient equipment, cafeteria, food service and food storage areas; and
- Renovate and repair restrooms.

Listed projects, repairs, improvements, rehabilitation projects and upgrades will be completed only as needed, and the listing of projects does not imply a particular prioritization among such improvements. Projects may be done in phases, based on Board of Education priorities and available funding. Listed projects may be completed at any and all District schools, sites, properties (owned, leased or yet to be acquired) and education buildings where such project is determined necessary, as well as at secondary education programs located on elementary school district sites. The Bond Project List also includes the design, acquisition and construction of rental housing units for teachers and staff including all related amenities and facilities.

Decisions regarding the scope, function, timing, location, prioritization or other facets of project implementation for school facility projects listed on the Bond Project List will be made solely by the Board of Education by subsequent action, including the interpretation, meaning and intent of each listed project. Where terms such as “renovate,” “upgrade,” “replace,” “improve” and “repair” are used in the Bond Project List, the Board of Education has the discretion to determine the best method for accomplishing the project’s objective, including the use of new construction. For any listed project involving renovation or modernization of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the District determines that replacement and new construction is more practical than renovation, considering the building’s age, condition, expected remaining life, comparative cost and other relevant factors. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. Where feasible, projects may be completed in partnership with other public or private agencies on a joint use basis using bond proceeds, subject to federal tax rules and regulations.

Each project is assumed to include its share of costs of bond issuance, architectural, engineering, legal, accounting and similar planning costs and professional services; litigation costs; construction management; bond project consultants; staff development and training expenses associated with learning construction techniques and approaches and new bond-funded equipment and systems; the furnishing and equipping of all projects, including equipment to maintain facilities in a safe and clean condition; and a customary contingency for unforeseen design and construction costs.

Payment of the costs of preparation of facilities planning and project implementation studies, feasibility and assessment reviews, master planning, environmental studies, permit and inspection fees, Division of State Architect (DSA) - related requirements, studies and assessments, including ADA and seismic, and temporary housing, storage and relocation costs for dislocated programs or activities caused or necessitated by projects on the Bond Project List are permissible bond expenditures. Land may be acquired for any project, and all projects may be furnished and equipped using bond proceeds to ensure the functionality and usability of facilities and sites constructed or reconstructed with bond proceeds. Bond proceeds may be used to retire any interim funding incurred to advance fund projects described on the Bond Project List.

The final cost of each project will be determined as plans are finalized and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation, grading or restoration may occur in connection with acquisition of property, new construction, modernization, renovation or remodeling, or installation or removal of modular classrooms, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads and acquiring any necessary easements, leases, licenses or rights of way to the property.

The Board of Education hereby declares, and the voters by approving this Bond Measure concur, that every section and part of this bond measure has independent value, and the Board of Education and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond measure are severable.

Accessible ballot

Any voter may request an accessible ballot to mark at home by emailing (RAVBM in subject line) to votebymail@marincounty.org or by calling (415) 473-6456 or toll free (833) 644-2061.

Accessible voting

A voter with a disability may vote a regular ballot outside a Vote Center. If you are unable to mark your ballot, you may bring up to two individuals to the polls to assist you. These individuals cannot be your employer or union representative.

The sample ballot is for information only. You must vote on the official ballot that will be mailed to you.

AVISO IMPORTANTE

Todos los votantes activos que estén registrados recibirán en el correo una boleta de voto por correo

- Ponga la boleta marcada en el sobre de retorno provisto
- Ponga la fecha y firme su sobre de retorno
- Devuélvalo por correo, en un centro de votación o en un buzón oficial
- Si lo devuelve por correo, el sobre debe tener el sello postal fechado el o antes del 5 de noviembre, recibido antes del 12 de noviembre

Cómo solicitar una copia traducida de la boleta de muestra

La boleta de muestra ha sido traducida al español para los recintos requeridos. Para solicitar una copia, comuníquese con el Departamento de Elecciones a más tardar siete días antes de la elección.

- Llame al 415-473-6456 o envíe un email a elections@marincounty.org
- Envíe una solicitud escrita a P.O. Box E, San Rafael, CA 94913. Tiene que llegar siete días antes del día de la elección.

Boleta accesible

Cualquier votante puede solicitar una boleta accesible para llenar en casa, enviando un email a votebymail@marincounty.org (escriba RAVBM en la línea del asunto) o llamando al (415) 473-6456 o a la línea gratuita (833) 644-2061.

Votación accesible

Un votante con discapacidad puede votar con una boleta regular fuera de un centro de votación. Si usted no puede marcar su boleta electoral, puede traer hasta dos personas al lugar de votación para que le ayuden. Estas personas no pueden ser ni su empleador (patrón) ni tampoco su representante sindical (de la unión).

La boleta de muestra es solo para fines informativos. Tiene que votar con la boleta oficial enviada por correo.

VOTING BY MAIL

When will my ballot arrive in the mail?
Ballots will be mailed beginning October 7, 2024.
Expect delivery within 7 - 10 days.

How do I update my registration?
Online at registertovote.ca.gov OR by paper registration form, postmarked no later than October 21, 2024.

Will the post office forward my ballot?
No. Forwarding a ballot is not allowed.

I will be out of town. How can I vote?
Call and give us your temporary mailing address. We will mail the ballot one time to that address. Call 415-473-6456.

Can someone else pick up a ballot for me?
Yes, using the application available at marinvotes.org. If you have questions, call 415-473-6456.

What if I lose my ballot or make a mistake?
You may go to any Vote Center and receive a replacement ballot. If you make a mistake, call the Elections Department at 415-473-6456.

What if I forgot to sign my envelope?
Only you (not someone else) must sign your envelope for your ballot to be counted. If your signature is missing OR does not compare with your voter registration, you will get a letter telling you how to correct the problem.

How do I return my vote-by-mail ballot?
Mail it in your signed envelope, postmarked on or before Election Day, November 5. **A voter can ensure that a postmark is applied to their return ballot envelope by visiting a Postal Service retail office and requesting a postmark from a retail associate.**
OR hand deliver to any Vote Center or Official Ballot Drop Box. Locations and schedules for Vote Centers and Official Ballot Drop Boxes are listed in this Voter Information Guide or at marinvotes.org.

How do I know you received my ballot?
Sign up at WheresMyBallot.sos.ca.gov, check the Voter Status page on the Secretary of State's website voterstatus.sos.ca.gov, OR call the Elections Department at 415-473-6456. **Also: Informed delivery is a great tool – it's free!**
