Board of Supervisors
Marin County Civic Center
San Rafael, CA 94903

Dear Board Members:

SUBJECT: Resolution prohibiting parking on portions of Stadium Avenue in the Almonte Area (District 3).

RECOMMENDATION: Adopt the attached traffic resolution.

SUMMARY: The Traffic Engineering staff has evaluated and agree with concerns raised by the Sheriff's Office and the Almonte Distrcit Improvement Club regarding the blocking of the emergency access by vehicles parked along the narrow curves and on the downhill side (easterly) of Stadium Avenue. To address this issue, we are recommending that parking be prohibited at all times along the easterly side and along the sharp turning curves along the raodway. This will discourage motorists from blocking the emergency access.

FISCAL IMPACT: None.
