SUBJECT: Accept \$30,000 donation from Kaiser Community Benefit Fund to Health and Human Services, \$10,000 to be used to pay for dental specialty services for low-income adults and \$20,000 to be donated to the Andrea Fox Fund to support breast cancer prevention and direct services.

Dear Board Members:

RECOMMENDATION:

1. Authorize your Board's acceptance of the donation of \$30,000 from Kaiser Community Benefit Fund. In accordance with the purposes of the donation, funds will support specialty dental care provided by the County's Dental Clinic for low income adults and to support breast cancer prevention services and activities provided through the Andrea Fox Fund.
2. Approve the following budget adjustments in Fund Center 1000104000:

Increase	1000104000-4710615 (Donations)	\$10,000
Increase	1000104000-5210310 (Medical Dental & Lab Services)	\$10,000

SUMMARY: These funds will allow the County Dental Clinic care for adults who would otherwise not be able to receive dental care. The Andrea Fox Fund has been funding community based organizations in Marin County to provide outreach & support services regarding breast health & breast cancer. The donation from Kaiser Permanente will increase the fund total allowing for an increase in these services.

COMMUNITY BENEFIT: Acceptance of this donation will provide specialty dental care to a small number of low-income adults without Medi-Cal or other coverage and will increase the scope of breast health/breast cancer services being provided to families in Marin County through the Andrea Fox Fund.

FISCAL IMPACT: There is no increase in net county cost. \$10,000 Kaiser donation will be available in HHS Fund Center 1000104000. \$20,000 Kaiser donation will be held in trust in the Andrea Fox Fund 80908 and the department will work with the CAO's office to recognize the funds in FY 07/08.
