San Rafael, CA 94903

SUBJECT: Annual Software Support and Maintenance Agreement

Dear Board Members:

RECOMMENDATION: Approve the sole source purchase of an annual Software Support and Maintenance Agreement for the Sheriff's Record Management System (RMS) from Tiburon Inc., of Pleasanton, CA for a total cost of \$94,721.00 by the Marin County Sheriff's Office.

SUMMARY: The Marin County Sheriff's Office purchased their Records Management, Corrections Management, and Automated Reporting Systems from Tiburon Inc., a wholly owned subsidiary of CompuDyne - Public Safety & Justice, Inc. This system is integrated with other Marin County justice systems via the Electronic Justice System (EJUS) County application. Software support and maintenance of the Sheriff's RMS system is critical to maintain optimum performance. Tiburon Inc. is the provider and installer of the working production system and, therefore, the sole provider of any ongoing software support and maintenance.

FISCAL IMPACT: Funds are available in the Sheriff's Office Fund Center 2600031000.
