**SUBJECT: DIVISION OF COMMUNITY MENTAL HEALTH SERVICES: AGREEMENT WITH
DR. CAROL KERR FOR FY 09/10**

Dear Supervisors:

RECOMMENDATION: Authorize President to execute FY 2009/2010 agreement with Dr. Carol Kerr in an amount not to exceed \$66,300 for consultation services.

SUMMARY: Contractor provides consultation and educational services to the internship program for psychology and social work graduate students.

CONTRACTOR PERFORMANCE: Contractor has been successfully managing the Psychology Intern Training Program for many years and has met or exceeded contract requirements.

COMMUNITY BENEFITS: CMHS provides pre and post doctoral internships for approximately 15 interns every year. The interns provide mental health services at CMHS offices as well as school sites and are supervised by licensed Mental Health Clinicians. Because of these interns we are able to leverage the resources of CMHS and provide mental health services to a larger population than CMHS would otherwise be able to do.

FISCAL/STAFFING IMPACT: The contract amount of \$66,300 is included in the departments FY 09/10 budget in fund center 1000041100. The contract allows for cancellation, with thirty days' notice, should the County not be able to continue to fund. There is no additional net County cost associated with this request.
