Dear Board Members:

RECOMMENDATION: Execute the Addendum.

SUMMARY: On December 1, 2010, your Board awarded a contract to CSW/Stuber-Stroeh Engineering Group, Inc. in the amount of \$80,620 for design of a flood protection structure on private property along West Creek in the Town of Tiburon within the boundaries of Flood Control Zone 4. The attached addendum will increase the scope and fees of the agreement to include surveying required for project design and services related to the acquisition of temporary construction easements.

FISCAL/STAFFING IMPACT: There is an \$18,600 increase to the current contract cost for a total cost not to exceed \$99,220. Funds for this additional cost are available in the Flood Control Zone 4 - Tiburon Professional Services account (#23730-6215011100-5210110), requisition number 10018068. There is no impact to the General Fund.
