SUBJECT: Resolution of commendation for Basha Quilici for ten years of service on the Marin County Disaster Council

RECOMMENDATION: Adopt resolution and authorize board president's signature

Dear Colleagues,

Basha Quilici has been a dedicated community volunteer in the arena of disaster preparedness for more than 20 years, and has served on the Marin County Disaster Council for a decade. Basha's personal focus has been on community engagement in disaster preparedness, and she has played a leadership role in increasing the involvement of the public via creation of new recruitment and training programs, both in her work with the Disaster Council and in her work as a disaster preparedness coordinator in the San Geronimo Valley.

Please join me in supporting this resolution and in thanking Ms. Quilici for her service to the people of Marin County.

Sincerely,

Steve Kinsey
