The Marin County Sheriff's Office of Emergency Services (OES) again assumed the lead role in producing the updated plan and chose to utilize and become a participant in the Association of Bay Area Governments' (ABAG) San Francisco Bay Area Local Hazard Mitigation Planning approach to support and facilitate the joint effort of the participating cities, towns, and special districts in building a more disaster-resistant county. The cooperative planning process included public workshops and listening sessions, posting of the DRAFT plan on the County website for comment and press releases. Future public participation will be encouraged at specific issue-oriented workshops and forums.
